JURY TRIAL DEMAND

Complaint

Plaintiff Frederick Banks ("Banks") alleges for his Complaint as follows: Major portion of Conspiracy took place while Banks was in Federal County Prison in the Southern District of NY mentioned

1. Banks is a federal inmate serving a 14 month sentence which expires by October 2014. From on or about 2011 to present Defendant's Tibco, Giga On Research, SqrL, Apple, Microsoft, Google, Strafor Global Intelligence, Oxford Internet Institute, General Electric conspired willfully and intentionally in a civil conspiracy to use Secure Voice Coding and Voice to Skull technology (see www.gov, wired.com, fox.org Search "Voice to Skull") with the CIA Office of Science and Technology (Behavioral Modification Unit) and other unknown co-conspirators to electronically harass Banks. Using Voice to Skull ("VAK") the harassing defendants used bio-electric sensors and sub-audal frequencies to pipe video and audio messages into Banks' Skull 24/7. The Messages/Transmissions gave Banks the shakes, made him weary, altered his perceptions and caused him to resign from his restaurant job and be subsequently reincarcerated for CIA and Defendants' manufactured supervised release violation. Banks was harassed

for apparently naming President Obama in a few lawsuits and the Federal government while he was incarcerated in the Federal Bureau of Prisons. Banks also due to the harassment experienced electric shock sensations and virtual chilling winds. All of the Defendants' conduct was willful, intentional, purposeful and intentional/intelligent when Banks contacted Defendants to request that they contact Susan Visconti, CIA, J & P C, Washington, DC 20505 at (703) 613-1287 and stop the electronic harassment they did not reply. Banks was damaged in the amount of \$112,000,000 because of interests he lost in the financial markets being not able to trade during the years of the harassment and his job loss and confinement. For example \$2,000 at 10% easily accrues in the Forex market USD/EUR to over 1 billion dollars in under a year. Thus Banks' request for damages is a conservative amount. Defendant's had a contract working together to conspire to harass and do harm to Banks. They should be enjoined from the continued harassment just like the court did in James Wilbert v. Jeremiah Redford (Bedford City District Court). A Jury Trial is Demanded.

WHEREFORE, Judgment should be entered for plaintiff and against defendants in the amount of \$112,000,000 along with costs, interest and fees. Defendants should be enjoined from employing electronic harassment against plaintiff. A Jury Trial should be ordered.

Respectfully Submitted,

Frederick Banks
